DRINKS MENU

Café du Parc

Located on the site of the original Killarney House, Café Du Parc is bordered by the grand oak and beech trees of the National Park on one side, and Killarney town centre on the other.

We take our inspiration from the cafés of Europe - the hustle and bustle, the energy and the 'je ne sais quoi' buzz. In the morning, we open our doors as the smell of strong roasted coffee and fresh pastries fills the air.

Our outdoor terrace is a 'people-watching haven'; the jarveys ply their trade, locals and visitors go to and from the park and parishioners attend St. Mary's Church of the Sloes. As the day turns to evening and the candles are lit, enjoy a tasting plate and a glass of wine with a friend, sample our lovingly crafted, locally inspired cocktail list or some of the finest and most carefully selected spirits from around the world.

And as the nocturnal creatures venture out, soulful tunes gradually roll into funky beats and old skool jams.

This is the heart of the action in Killarney.
