THE WHISKEY PARLOUR

Discover our secret Whiskey Parlour, where every bottle tells a story of tradition and craftsmanship.

Step through the hidden doors, to uncover the finest single malts and rarest whiskeys from Ireland and beyond. Each sip promises a journey through the world's most celebrated distilleries, set in a clandestine speakeasy, reminiscent of the prohibition era.

Our collection includes more than 230 rare, quality bottles sources from the best producers and collectors internationally. The very finest scotch, bourbon and Japanese bottles are represented here, but the focus, of course, is on Irish Whiskey.

SUSTAINABILITY

Sustainability

As a Collection, we are driven and enthusiastic to lead in sustainable practices as we recognise that each of our properties, outlets and destination has a vital role to play in the journey towards a sustainable future.

‘Our Green Way’ encapsulates our sustainability mission, our environmental policy, and our initiatives.

We are committed to supporting ‘Our Green Way’ with an ambition to reduce our carbon footprint, waste, water and energy consumption, food waste, and remove single-use plastic through a series of initiatives led by our internal ‘Green Teams’.

We are committed to providing a memorable guest experience through sustainable and responsible tourism. We are also dedicated to elevating our positive impacts on the environment around us, while maximising benefits to the environment, local community and the economy.

Achieving our sustainable goals is a continuous process and it requires constant monitoring of our impact, the introduction of innovative strategies, continuous feedback and a collective team effort.

We aim to continue to raise awareness about our sustainability objectives and promote our sustainable practices through ‘Our Green Way’ programme along with our partnership with Green Hospitality and Fifty Shades Greener.

By doing so, we hope that it will have a positive and lasting impact on the environment around us.

WHAT WE ARE DOING

We are continuing our sustainable roll out initiatives across the Collection

Each of 'Our Green Way' initiatives are broken down under the headings of: Product development, Lifestyle & Biodiversity; Sustainable Practices; Social Impact, Education & Training; Carbon Footprint Reduction: Energy, Waste & Water; Food Waste Initiatives; Single Plastic Elimination.
